

Heating Wrap PREMIUM

Heating enclosures for frost protection

Frost protection specifically for pipes and drainage on construction sites. The product structure is an self-limiting heating cable with ground shield of aluminum foil - power 17 W/m at 5 °C - which are mounted in an insulated casing which can be closed around the tube with velcro.

The heating wrap can be used on pipes up to 50 mm - for larger items and pipe sizes two or more wraps can be used, which are simply held together using Velcro. This design provides a fast and efficient installation on site. It's very simple to disassemble the heating wrap and it can be used again and again ...

The heating wrap is available with 3-pin IEC309 plug 16 Amp - 230 V
Alternatively, with Schuko or DK-plug.
Minimum installation temperature -30 ° C.

The heating wrap is eg. used for temporary installations for office trailers, mobile bathroom vehicles and the like.
Product range from 3-27 m spread over 9 sizes.

DK plug

Technical Data

Voltage	230 V ~ 50 Hz
Power supply line	1.5 m
Degree of protection	IP44 (plug) - IP57 (cable)
Effect	17 W/m
Initial fuse	10 A
Athorisation	CE
Guarantee	3 years

Heating Wrap PREMIUM Schuko plug

Item	Description	Power	Current	Dimensions
50860301	Heating wrap 3 m, Schuko plug	50 W	0.2 A	3 m
50860601	Heating wrap 6 m, Schuko plug	100 W	0.4 A	6 m
50860901	Heating wrap 9 m, Schuko plug	150 W	0.7 A	9 m
50861201	Heating wrap 12 m, Schuko plug	200 W	0.9 A	12 m
50861501	Heating wrap 15 m, Schuko plug	260 W	1.1 A	15 m
50861801	Heating wrap 18 m, Schuko plug	310 W	1.3 A	18 m
50862101	Heating wrap 21 m, Schuko plug	360 W	1.6 A	21 m
50862401	Heating wrap 24 m, Schuko plug	410 W	1.8 A	24 m
50862701	Heating wrap 27 m, Schuko plug	460 W	2.0 A	27 m

Heating Wrap PREMIUM IEC309 plug

Item	Description	Power	Current	Dimensions
50860303	Heating wrap 3 m, IEC309 plug	50 W	0.2 A	3 m
50860603	Heating wrap 6 m, IEC309 plug	100 W	0.4 A	6 m
50860903	Heating wrap 9 m, IEC309 plug	150 W	0.7 A	9 m
50861203	Heating wrap 12 m, IEC309 plug	200 W	0.9 A	12 m
50861503	Heating wrap 15 m, IEC309 plug	260 W	1.1 A	15 m
50861803	Heating wrap 18 m, IEC309 plug	310 W	1.3 A	18 m
50862103	Heating wrap 21 m, IEC309 plug	360 W	1.6 A	21 m
50862403	Heating wrap 24 m, IEC309 plug	410 W	1.8 A	24 m
50862703	Heating wrap 27 m, IEC309 plug	460 W	2.0 A	27 m
