Water Hose Drying Locker „STS 900“

The multifunctional Drying Locker

STS 900 OSMA – WATER HOSE AND CLOTHES DRYING LOCKER

Drying Locker made of sheet steel; powder -coated; dries water hoses and clothing.
Equipable with galvanised steel gratings - max. 7 pcs., surcharge

A rotary disc with 18 hooks is fixed to the ceiling of the locker, allowing for the easy hanging and removing of items of clothing. The locker has a depth of 75 cm and is fitted with a cylindrical lock.

The revolving movement and simultaneous blowing of warm air into the entire locker, results in the efficient and gentle drying of all forms of protective clothing. The built-in 24h operation timer, the 6h clock timer and the ON/OFF-switch enable a selective drying period.

Height: 1950 mm
Width: 750 mm
Depth: 780 mm
Weight: approx. 140 kg

Electr. Data: 230V/50 Hz
Output: 1200 Watt

Maintenance-free warm-air blower

Standard colour: RAL 7035
